

Exclusive tour of the Philharmonie, drinks, & reduced-price concert

Now including crémant and amuses bouches after the tour

We meet at the **Philharmonie Entrée des Artistes** at **17h45**, from where Alik Zachariadis, Head of Marketing & Digital Division, will take us onto the stage of the Grand Auditorium, giving us a sense of being part of an orchestra. The tour of the Philharmonie then continues from here. The tour ends no later than **19h** in a reserved area of the foyer where we will enjoy a crémant and amuses bouches.

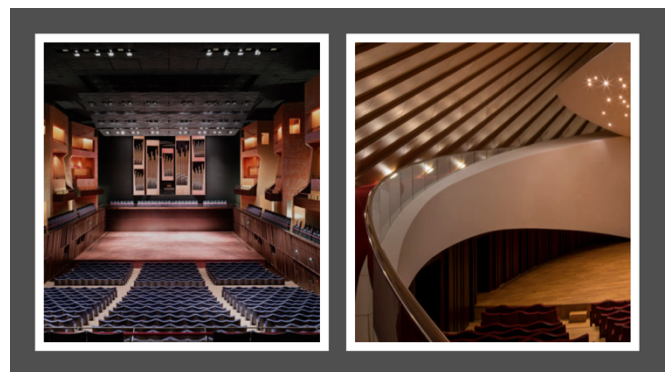

You may either end your evening here, or stay on for the **Haydn concert**, available to us at the negotiated **20% discount**.
