

FROM THE CHAIRMAN -CAMBRIDGE SOCIETY OF SUSSEX

29th June 2026

Dear fellow Members

I do hope you are keeping safe but enjoying the heatwave.

Thank you for appointing the new team at the AGM. Aidan Wallis has now been co-opted to join Peter Vos, Chris Baron, David Thunder, Hugh Sharp and myself. David Jamieson remains as Honorary President.

We now have committee members from all areas of Sussex, and committee meetings thanks to Peter are by zoom- type meeting software.

Your committee has been hard at work to get the Society re-invigorated.

NEXT MEETINGS

There will be a Society luncheon on Wednesday 21 October in a separate dining room at Hangleton Manor Restaurant in Hove. Details and booking forms will be circulated once their seasonal menus are available. The Manor has easy access from the A27 bypass and plenty of parking. It dates from the fifteenth century. We have chosen October in the hope that members will be back from holidays and cruises. There will be a speaker tba. Please put the date in your diaries. It would be helpful to have indications at this stage if you can come.

We have also decided that the 2027 AGM will be held before Easter, and hope not so many people will be away as happened this year.

We are considering further activities, including meetings and lectures on zoom-type meeting software

MEMBER CONTACT

Publishing membership booklets as we used to do would be difficult and risky in these days of data protection and widespread fraud. The Secretary of course maintains and protects a list. He has details of colleges, matriculation, locations and contact details for members. If you would like to be put in touch with members in similar groups to you, please contact Peter on peter.vos@cantab.net. It would be good to get members more in touch with each other.

It would also be good to get more and particularly younger members onto the list in this new digital age, and maybe you could persuade younger family members to join!

Finally, Could you please update Peter with your latest email address if there is one you prefer to the one used here, and also let him know your mobile number (Reply to sender on this email).

Looking forward to the future.

Best wishes

Mike Long, Chairman
