Dear Cantab,

It was good to see so many of you at our AGM in Peel at the end of June.

Our next event is an outing on the Pie and Mash Dining Car Train with a talk by Graeme Easton, a Cambridge Society Member and Heritage Railway Volunteer, before we board the train. Graeme is also organising for the Railway Museum to be open in Port Erin for us to look around while the train takes a break, of about 45 minutes, there between our main and dessert course. Graeme and other volunteers will be on hand to answer any questions.

We have provisionally booked 2 carriages on the train for the evening with a capacity of 40 seats. Obviously these will need to be confirmed and money paid, earlier than usual for a Cambridge Society event, to reconfirm our booking.

You are invited to An Evening on the Pie and Mash Train starting at 6.15pm under the canopy at Douglas Station for an informative talk on the Isle of Man Steam Railway by Graeme Easton. We look forward to filling the carriages and do hope you will join us with your friends for, what I am sure will be, a very enjoyable evening.

The cost is £30 per person, non-refundable. Food selections are made on the train but if you do have a dietary requirement that you feel needs to be noted in advance, please add this to your booking. (Drinks are available to purchase from the bar and can be pre ordered if desired.)

To book please return the reply slip to reach the Secretary, Angela Souter, by 2nd August 2021.
