Our Chairman this year is Dr Lynda Milne and our speaker will be Jon Pavey MA. After reading engineering at Balliol College, Oxford, where he coxed the First VIII and played rugby for the first team, Jon worked as a water resources consultant with Mott Macdonald in 30 countries. His last posting before retiring 18 months ago was in Hong Kong. His talk will be entitled “Observations on the use and abuse of water in a changing world”.

This year we will again be at Le Talbooth Restaurant, Gun Hill, Dedham who always look after us extremely well. The cost of the dinner will be £47 per head, to include a welcoming glass of sparkling wine or orange juice, an excellent four course menu, coffee, port and sparkling water. A vegetarian option will be available. Please indicate on the reply slip if you would like to request this. Wine is not included in the ticket price but Le Talbooth has a very good wine list. Members are welcome to bring a guest. Gentlemen are requested to wear a black tie.

If you have not been to a Society function recently, a contribution towards administrative expenses would be most welcome. Many thanks to all who have sent contributions in the last year – it enables us to continue the unusual tradition of having no subscriptions! Moving to electronic notifications has considerably reduced costs with about 70% of these invitations going out by email. If you have received a paper copy and would be happy to receive future notifications by email, please let Lyn have your email address. We will continue to send paper copies to those who wish it. Please remember to let us know if you change your email address. If you no longer wish to receive mailings from us, again please let Lyn know.
