

## Alumni Groups data protection notice

The University is subject to data protection regulations under UK law, which control the use of personal contacts and data. All the University's officially recognised volunteer-led Alumni Groups have agreed to take proper care of personal data obtained because of their status as Alumni Groups.

When you complete the registration form you consent to the Group:

- Recording your personal data in both hard and electronic form
- Using it for the purposes of the Group, such as organising events and sharing it with the University.

If you have any queries, wish to restrict data processing or sharing, or do not want to be contacted, please inform the Alumni Group hosting the event. (Minimal information is always retained to make sure you are not contacted again inadvertently.)
